Dear NCCU Supporter:

Thank you for taking the time to read this proposal. It is with great joy that we invite you to participate in our 4th Annual Scholarship Banquet. It will be held on Saturday, June 1, 2019. We consider you a friend of the NCCU Durham Chapter Alumni Association and ask that you support our Scholarship Fund. This Scholarship Fund supports North Carolina Central University, an important part of the Durham community. Here is how you can participate:

At the Durham Alumni Chapter, one of our most important objectives is to give back. Awarding scholarships to students of our Durham community is one way that we can fulfill that goal while helping to bring the best and brightest students to our beloved university. Ultimately, we hope our nurturing and assistance to them will allow the students, in return, to become assets and contributors to the university and the Durham community upon their graduation.

We look forward to celebrating another year with you on Saturday, June 1, 2019, at our Fourth Annual Scholarship Gala. ***We plan to highlight our sponsors during our program.*** We also look forward to celebrating our prestigious Durham Chapter and its members.

- The Durham Chapter has received national recognition as the NCCU Alumni Association Chapter of the Year two times in the past four years.
- In the past four years, members of our chapter have been the recipients of several national NCCU Alumni Association awards, including Alumnus of the Year, Volunteer of the Year, Distinguished Alumni, and Truth and Service. In 2018, the Alumnus of the Year Award was received by a Durham Chapter Alumni.
- Yet, we are most proud of the fact that in the past four years, two members of our chapter have received the highest award of the North Carolina Central University Alumni family: Founders' Award for Lifetime Achievement.

As we continue to support our university, we want to be part of the recruitment of students who will ultimately fill these roles. As we choose deserving students as our scholarship recipients, we can continue the traditions of excellence which is displayed by our current alumni. The North Carolina Central University Alumni Association and the Durham Chapter thank you for your support.

Thank you,

Carolyn Ramsey-Williams
